# WHY ASPAP?

## Association of Schools of Public Administration in the Philippines (ASPAP)

- 120 ASPAP members
- Program focus on curriculum development and innovation
- Vision on good governance and effective public administration
- Links within the EAP region

Affiliated Network for Social Accountability  
in East Asia and the Pacific

... connecting citizens to improve governance

## ASPAP and ANSA EAP partnership objectives:

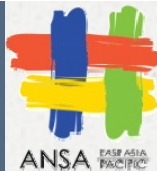

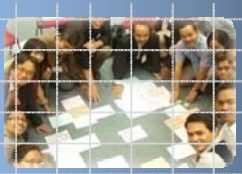

Mainstream social accountability as a shared frame  
for promoting citizen engagement and good governance

Develop, pilot and institutionalize  
social accountability modules and courses

Identify and develop pool of champions  
and educators on social accountability  
among ASPAP members

Document and share experiences and  
lessons in mainstreaming social  
accountability in the PA curricula

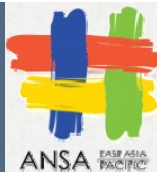

Affiliated Network for Social Accountability  
in East Asia and the Pacific

... connecting citizens to improve governance

# Partnership outputs:

- Social accountability courses and modules ready for delivery in ASPAP member schools as part of PA curricula
- Action plans/project proposals for piloting and testing social accountability modules and courses
- Platform for exchange among champions and educators on social accountability within ASPAP
- Knowledge products on mainstreaming approaches used by ASPAP members in developing SAc modules/courses
- Shared experiences and lessons of ASPAP in developing and mainstreaming SAc courses

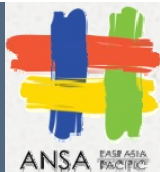

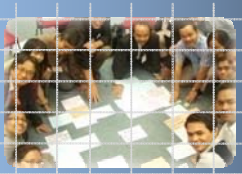

Affiliated Network for Social Accountability  
in East Asia and the Pacific

... connecting citizens to improve governance

## Proposed activities

- Forum on social accountability
- Module development workshop
- Piloting and testing of SAc courses
- Regional workshop to share experiences
