Wadel Cabrera

Philippine Business for Education

Session 5

Moving forward – country planning

10:45 – 12:00

## Objectives:

1. Build consensus on strategic directions and key objectives for PM in the country;
2. Come out with a viable work plan for drawing in key actors and sustaining collaboration.

## Instructions for the planning:

- Review previous country plans, and identify **work** left undone or **issues** that need to be addressed
- Set the group's **strategic objectives** for the next period (one year, use SMART guidelines in stating objectives)
- Fill up the planning matrix to identify the group's key **activities, implementers, and time frame**

# Planning matrix

**Country:**  
**Objectives:**

Activity	Time frame	Person/groups responsible

## Session 5
